PERSONNEL AUTHORIZATION
NO. 10-21

Effective 21 January 2010, the following members are recognized for their participation in AFRCC Mission 10M0055. This mission involved a search for a missing Cessna 340, N2217B, which left Henderson, NV with two persons on board on 18 January for a flight to Compton, CA. The aircraft was reported overdue by the family on 20 January. CAP ground teams were dispatched to the probable search area, and working at night in rain and windy conditions, were able to locate the badly damaged aircraft in the Lytle Creek area of the San Gabriel Mountains north of Rialto. There were no survivors.

In accordance with CAPR 39-3 and CAWG Guidelines, Distress Finds are awarded to the following:
