~~Corrected 14 April 2000~~  
Amended 27 April 2000

Dear CAP Cadet Officer:

I would like to extend a personal invitation on behalf of the Pacific Region Commander to attend the 2000 Pacific Region Cadet Leadership School (PRCLS). It will be held at Naval Training Center, San Diego, California from **Wednesday, 5 July to Thursday, 13 July 2000**. All cadet officers in Pacific Region who are 15 years of age or older are welcome to attend; please share this information with all cadet officers who might not have received this invitation.

As you know, as a new requirement to complete the Ira A. Eaker Award, you must complete National Cadet Officers School, Region Cadet Leadership School, or ECI 13. This cadet leadership school will augment training received at squadron and wing levels, and will focus upon management skills, theories and laboratories that can be easily transferable into civilian or military experiences. PRCLS will include leadership skills training, management skills training and communication techniques. Some course content will be based upon Kenneth Blanchard's most recent writings – teachings that fuel Fortune 500 companies management teams today.

Cost for this activity will be \$125.00, which includes meals, billeting, and course materials. Transportation to and from will be your responsibility and there will not be airlift available. Pickup and drop off transportation at San Diego International Airport, Amtrak, or the central bus station will be offered.

Arrival time on **Wednesday, 5 July** should be 1300-1600 hours; you will be dismissed by 1130 hours on **Thursday, 13 July**.

Applications are to be made on a current CAPF31 with a resume of CAP and personal accomplishments. Funds (check or money order) **MUST** be attached to the application or it will be sent back unprocessed. Arrangements can be made to pay using a Master Card or Visa Card by calling me. Applications must be postmarked by 7 June 2000.

All PRCLS participants **MUST** be self sufficient in the taking of prescribed medications. There will not be a nurse on staff. Should a medical emergency arise, participants will be transported to a local immediate care center or hospital as needed.

Should you need additional information, have questions or want to reserve a slot, please contact Major Michael Kathriner (760) 323-2547 Office/Home. Email [mkathriner@aol.com](mailto:mkathriner@aol.com).

California Wing has been conducting this course for the past 30 years under the name of Cadet Officers Basic Course. A long time veteran of CAP, Major James Harrer, will command Pacific Region Cadet Leadership School (COBC). This will be an academically and personally challenging course that will expand your understanding of your strengths and change your life. Don't miss this life expanding opportunity.
